

Hoopenburg Rosé 2017

main variety Cabernet Sauvignon

vintage 2017

analysis alc: 12.0 | ph: 3.24 | rs: 2.4 | ta: 5.2

type Rose

producer Hoopenburg Wines

style Dry

winemaker Helanie Olivier

wine of origin Stellenbosch

tasting notes

Nose: A delightfully bright and cheerful wine with notes of strawberry and Turkish delight. Palate: Clean acidity and a crisp dry finish.

blend information

100% Cabernet Sauvignon

in the vineyard

Made from 100% Cabernet Sauvignon grapes from the farm.

about the harvest

For each wine on the farm we select the grapes best suited for the style of wine we would like to produce. Some of our older Cabernet Sauvignon blocks have been known for lots of fruit but lacking in colour intensity we seek in our red wines. These are the blocks we harvest to make our Rose. Freshness and fruit is important for this wine.

in the cellar

After minimum skin contact the wine was cold fermented in stainless steel tanks.
